

Compassionate and Loving

Pupils are growing to be **compassionate** towards others, near and far, especially the less fortunate; and **loving** by their just actions and forgiving words.

What does this mean?

Catholic schools help their pupils grow by being **compassionate** and **loving** in the way pupils are treated, especially when a pupil is in trouble; and by opening pupils' eyes to those who suffer poverty, injustice or violence.

Lamb of God, who takes away the Sin of the World.
