

Executive Principal – secondment opportunity

Sacred Heart Catholic Primary School, Aston, Birmingham (Part of the St John Paul II Multi Academy Company)

To start by February half term 2022. Initially for 1 year.

The Directors of the St John Paul II Multi Academy are looking to appoint an interim Executive Principal to support one of our rapidly improving multi academy schools, Sacred Heart Catholic Primary School in Birmingham.

This would be an excellent opportunity for a serving, experienced leader with a proven track record of school improvement who is looking to move in to an Executive leader role in the future. The successful candidate will also be able to experience working within a collaborative and supportive group of multi academy schools.

Sacred Heart school is part of a vibrant, diverse community in Aston and has a strong Catholic ethos which is evident in the children, staff and parents. Staff are committed to the best possible provision and support for the children, who are eager to learn and have excellent behaviour and attitudes. The school is also served by a strong and supportive governing body and Board of Directors.

The successful candidate will need to take this role on whilst leading their own school and agree to split their time between the two schools so they will need the agreement of their own governing body.

If you are interested in this opportunity and would like to make further enquiries, please contact Matthew Emery, CSEL at m.emery@sjp2.net in the first instance.

In order to apply, please complete and download an [application form](#) and return in to m.emery@sjp2.net by **Wednesday 8th December 2021**.
