

Archdiocese of Birmingham Academies Update December 2020

- On the 1st December 2020 there were 121 academies within the Archdiocese of Birmingham operating within 18 Multi-Academy Companies (MACs). In addition, we continue to have Bishop Challoner and John Henry Newman operating as academies from pre-MAC model arrangements.
- Although each MAC differs in size the desired model consists of a common strategic and structural framework of secondary schools aligned to primary feeder schools. This reflects the aim to structurally consolidate the relationship between partner schools as well as providing a secure and effective mechanism for promoting outstanding Catholic education across the 4-19 age range.
- On the 14th July 2016 Father Jonathan, Director of the Diocesan Education Service, announced the headlines of the D.E.S.'s Academy Strategy moving forward. Further guidance on this Strategy is available on the Academies section of the D.E.S. website <http://www.bdes.org.uk/academies.html>. The Strategy has also been discussed as part of the regular Headteacher briefings. There are currently a number of Schools moving forward to form or join a new or existing MACs.
- The DES holds regular meetings with MAC Boards to support and challenge Catholic Life, Leadership and Management, Educational Standards and Financial Performance across each MAC.
- The DES holds regular meetings with officers of the DfE to monitor the performance of all our MACs and to discuss MACs in the pipeline. The DfE team consults with the Regional School Commissioner and elected Headteacher Boards whose approval is required before any MAC proposal is signed off by the Minister.
- The DES is delighted to announce the approval of Holy Cross Catholic MAC (Coventry) and the coming together of the former Bishop Cleary and Pope John 23rd MACs to form the St. Francis and St. Clare Catholic MAC (Wolverhampton) with effect from 1st September 2019.
- The DES is delighted to announce the approval of 2 additional Schools as of 1st September 2020, St. Anthony's have joined the St. Francis and St. Clare MAC and St. John's, Banbury have joined the Pope Francis MAC.
